# HOW TO USE:

1.

**Grab a pen and mark a cross on the sheet.**

*Dry markers are good... you can make a mess as many times as you want!  
Put an X on the plot sheet as near as possible to where you saw the lost gear.*

2.

**Tell us what you saw.**

*What did you spy... was it rope, net, plastic or a pesky lost shot line? Is it tangled or would it come free easily? what's the best way to get it free?  
Tell us your thoughts here.*

3.

**Send us the info: [plot@bigSCAPAcleanup.co.uk](mailto:plot@bigSCAPAcleanup.co.uk)**

*Take a picture of the plot sheet with your phone and send it our way. Don't forget to include your name, dive club and any other stuff about you.  
If you managed to take some pics of the gear then that would be awesome... attach those too.*
